

***A Native Speaker Physics Teaching Position (Part-time)
in an International School in Tainan!***

Chang Jung Senior High School International Division partners with OxfordAQA and the British Council to deliver high-standard bilingual and English-medium secondary education to students in southern Taiwan.

Our aim is to provide a solid pathway through the International GCSE and A level exams leading to English medium tertiary study at universities all over the world.

As an expanding institution, we are seeking qualified and experienced teachers to meet our growing needs.

We are looking to hire a part-time Physics teacher who has a deep understanding of the subject. A degree in the area is necessary. Previous teaching experience, especially to high school-age students, is preferred. Familiarity with the UK GCSE/A-Level system would be ideal.
